If finding the time and money are what's keeping you from your resolution, then Cheetah Learning can help. Until Jan. 31, 2009, you can register for the [Cheetah Exam Prep® for the PMP®](#) exam online course and save \$100 off the regular \$2,450.00 price using promo code PRWebPMP09.

“Our four-week, online course includes the same guarantee to pass the PMP exam as does our four-day course, but the online class offers more flexibility to fit the exam prep into your work- and personal-life schedules,”
